

NEWSLETTER FROM SHIRLEY

Summer is fading. I'm sad to see balmy long days of light changing to shorter evenings and cooler days. Yet, fall is so beautiful, how can I be sad for long? We have reds, oranges, yellow, and brown colors that brighten my day.

There are excited children going to school. New programs beginning. Yes, the change of seasons is good.

HELLO FALL!

We attended the Christian Publishers Expo this past August in St. Charles, Missouri. It was exciting to meet with Christian Publishers and book store owners from across the nation. We were promoting our book *Second Chance at Love: Navigating the Path to Remarriage*.

This Saturday, October 2, we'll be at Rainbow West Christian Supply on the upper level at Vancouver Mall, signing books—come see us!

Later in October we plan to visit Sower Christian Book Store in Coeur D'Alene, Idaho.

I am a member of the Advanced Writers and Speakers Association (AWSA) and attended a retreat prior to the CPE in St. Charles. I met new friends and was inspired by the many women who speak and write.

We drove 4800-plus miles. What a beautiful country we live in!

We are open to presenting our book and the ideas recommended in it at your church or club. Please ask!

This September 14, 2021, I lost a good friend. Judi Mayfield-Weber was a talented musician, poet, writer, and patriot. We played together in a community orchestra (she on the clarinet, me on the violin) and a pops orchestra, where we brought music to elementary schools in our area. I will miss Judi at our writers' group, seeing her at church, and at our LIFE group. It's hard to believe she is gone, but I know we will meet again—in heaven.

There seems to be much sadness and loss and in our world and among family and friends. It's hard to understand the why, yet as Bonhoeffer said, with Christ, "there is peace."

We have a new member in our family. Meet Rudy, a King Charles Spaniel/Yorkshire Terrier. He is frisky, friendly, and challenging at times but we love him. We've enrolled him in puppy school.
